

The FIRSTBIOTIC 3-Step Delivery System first releases a liquid prebiotic into your stomach to support “friendly” probiotics in your gut. On its journey, the inner capsule of FIRSTBIOTIC is protected until the probiotic blend can finally be released into the gut, where an optimal environment is created by the prebiotics. Here, the probiotics can flourish to support healthy digestion.[†]

SUGGESTED USE: Take 1 capsule daily. Best taken on empty stomach.

WARNING: If you are pregnant or lactating, consult a healthcare professional before using this product.
KEEP OUT OF REACH OF CHILDREN.

This product may be kept refrigerated to maximize shelf-life and potency.
