

USAGE: Take 1-2 capsules about one hour before bedtime. Mellodyn™ helps you fall asleep faster and sleep more soundly. Take as needed for occasional sleeplessness and nighttime restlessness. Mellodyn™ is not habit-forming and can be taken as needed.*

PRECAUTIONS:

- Consult a healthcare professional before using if you are taking thyroid hormones, are pregnant or breastfeeding, or are currently taking sleep medications or other prescription sedatives.
- Not recommended for children under 12.
- Discontinue use if unusual symptoms occur.
- Do not exceed four capsules in 24 hours.

Store in a cool, dark place.
