

Gut Instinct provides a dairy-free base for a blend of highly viable, pure strains of *L. acidophilus* NCFM® and *B. lactis* Bi-07®—"friendly" bacteria that have been shown to support a healthy intestinal environment and immune health.*

Directions: Take one capsule one to two times daily or as directed by your healthcare practitioner.

This product is non-GMO, gluten-free, and vegetarian.

Notice: Stability studies indicate that all probiotics should be shipped under temperature control to maintain potency (CFU). For best results, store in a cool dry place or keep refrigerated.

Tamper Evident: Do not use if safety seal is missing or broken.
