

CoQ10 and the Omega-3 fatty acids DHA and EPA are vitamin-like nutrients with clinically proven benefits.* This CoQsource® preparation with its patented VESIsorb® delivery system is the pinnacle of efficient nutrient delivery. Through its naturally self-assembling, nano-colloidal delivery system, VESIsorb® amplifies the measurable blood levels of these nutrients. All three are building blocks for the cell membrane systems that generate energy and manage metabolism.*

- Achieves superior CoQ10 and Omega-3 blood levels over other formulations*
- Facilitates energy generation, antioxidant protection, cell membrane performance*
- Supports wellness via the heart, brain, muscles, immune system, joints and other organs*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
