

NDF POOPER® ingredients are traditionally used to support healthy bowel motility and regularity, moisten and lubricate the intestines and reduce stress related to occasional bowel irregularity.*

Intake Instructions: Shake well. Simply mix into water or your child's favorite drink. Use as needed to ensure daily bowel movements.

• 2 ml per 50 lbs of body weight, 1-2 times per day. If needing to use more than 7 -10 days, add in NDF CALM®. Intended for kids 12 months or older. Consult with your child's health practitioner before taking this or any dietary supplement.

Our proprietary micronization process of chlorella yields NDF® (Natural Detox Factors) which binds to toxins including heavy metals, chemicals, pesticides, chlorine, BPA, and dioxin, safely and naturally removing them from the body.*
