*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

PROARGI-9+ is the highest quality L-arginine supplement in the world. With each packet containing 5 g of free-form, pure L-arginine, this proprietary formulation combines the powerful cardiovascular benefits of L-arginine with a variety of superior heart health ingredients to give your cardiovascular system optimum support.*

ProArgi-9+ was formulated in collaboration with leading scientists and cardiovascular specialists who have conducted extensive research on the proper application of L-arginine in promoting heart health. With ProArgi-9+, you're giving your heart the nutrients to support a healthy life.*

DIRECTIONS: Mix 1 serving (1 packet) with 8 fl. oz. of water (depending on individual taste). Stir to dissolve. One serving (1 packet) may be taken twice per day.

Store in a cool, dry place. Slight color changes may occur over time due to the natural fruit flavor.

Consult your physician prior to use if you have a preexisting medical condition including: myocardial infarction (heart attack), cardiovascular disease or diabetes, or take medications for any reason including erectile dysfunction. Not recommended for use in children or pregnant or lactating women.
