

UNFLAVORED

UNSWEETEND

11.7g KETONES PER DOSE

MAY THE FORCE BE IN YOU

The goal of exogenous ketones is the same as that of a ketogenic diet, to raise blood ketone levels to beneficial physiological levels. Ingestion of this product raises ketone levels within minutes and is especially helpful for acuity and mental performance. This product contains pure ketones. No flavors, sweeteners or additives.

USES

JUMPSTART KETONE METABOLISM

APPETITE SUPPRESSION

LOWER BLOOD SUGAR

DIRECTIONS

Dilute 30cc (2 Tablespoons) of KetoForce into 8 to 12 ounces of liquid. Best if mixed with an acidic beverage. Do not exceed 3 servings in a 24-hour period. May be taken with or without food.

These statements have not been evaluated by the FDA. These products are not intended to diagnose, treat, cure, or prevent any diseases.

Warning: Before using this, or any new supplement, consult with your physician. If you are using any prescription or over the counter medicine, if you are unaware of your currently medical condition, if you have any pre existing medical condition or could be pregnant or nursing, consult with physician before use.

Keep out of reach of children.
