

THE GOOD GUT

Probiotics are good bacteria that promote a healthy gut and aid in digestive health. Magnesium is a mineral important for bone structure and the proper function of nerves and muscles but is often lacking in a Keto lifestyle. KetoSports takes these two essentials and combines them in a single supplement to promote digestion and ward off magnesium deficiencies.

HIGH QUALITY INGREDIENTS
4 TARGETED STRAINS

DIRECTIONS

Take three capsules twice daily. To determine tolerance, start with one dose, adding a second as tolerance improves or regular stools occur. May be taken with or without food.

These statements have not been evaluated by the FDA. These products are not intended to diagnose, treat, cure, or prevent any diseases.

Warning: Before using this, or any new supplement, consult with your physician. If you are using any prescription or over the counter medicine, if you are unaware of your currently medical condition, if you have any pre existing medical condition or could be pregnant or nursing, consult with physician before use.

Keep out of reach of children.
