

CytoFlora® is the world's first probiotic lysate tincture. CytoFlora® supports a healthy gastrointestinal tract, bowel regularity, and a healthy immune system. Clinical results show CytoFlora® increases communication, speech and amplifies sociability, cognitive awareness, and moods.*

Intake Instructions: Shake Well. Squeeze bulb 3x while dropper is submerged to draw up 1ml of liquid into the glass pipette. Serve in water or juice on an empty stomach.

Adults & Children: 2ml, 2x a day

Sensitive individuals: start with 5 drops. Increase intake by 5-10 drops per day, or as tolerated, up to 2ml (40 drops) 2x a day.

If pregnant or nursing, consult a health care professional. Keep out of reach of children.
