Mobili-T™ supports joint health by providing building blocks for new cartilage and collagen production.*

- **Collagen** - a structural protein that serves as the main building block of the cartilage*
- **Glucosamine** - stimulates the production of glycosaminoglycans, a key component of cartilage*
- **MSM** - provides sulfur, a vital element for healthy cartilage, skin, hair, and nails*
- **Chondroitin** - supports cartilage production and joint function, and eases inflammation*
- **Turmeric** - rich in phytonutrients and antioxidants to support normal inflammation response*

CAUTION: As with any dietary supplement, do not take without first consulting your healthcare practitioner, especially if you are pregnant, nursing, or are under medical supervision for any reason. Keep out of reach of children.
