

Get Energized with Adaptogenic Ginseng

Panax Ginseng has been widely used for centuries in Asia and Western countries to support vitality and as a tonic. Known for its adaptogen properties, Panax Ginseng is extensively used to support energy, mood, cognition and immune health.[†] Panax Ginseng has a long growing cycle, taking years to mature while developing the active compounds called ginsenosides. Our product contains a combination of ginseng extract standardized to a minimum 7% ginsenosides with broad spectrum organic ginseng, providing the best of both sources for a full range of benefits. Modern on-the-go lifestyles can be draining. Don't let life slow you down, support your vitality with ginseng!
