

NaturaNectar™

A trusted brand based on our scientific understanding of the magnificent benefits of honeybees and their bee propolis

At NaturaNectar, we understand the nature and science behind the beehive and find our inspiration there. With the same focus and dedication of the honeybees to build sustainable and productive hives with their propolis, our company is dedicated to bringing you wellness products imbued with the same protective propolis to help you live an active and healthy life. We commit our corporate resources to the vital research needed to ensure that honeybees continue to be nature's true marvels as well as supporting the surrounding communities that help harvest our bee propolis in a sustainable way.

— Protect & Activate Wellness Naturally —

NaturaNectar™

Brown Bee Propolis

Today you are exposed to more noise, pollution, and life challenges than ever before, creating a potential overload that can threaten your wellness, mental alertness, and happiness. Like the bees that protect their hives and health with propolis, collected from the Brazilian Southern forests, NaturaNectar's Brown Bee Propolis can activate your everyday wellness and health.*

NaturaNectar's exclusive scientific formula with standardized flavonoids and organic aromatic acids (OAA) from premium Brazilian brown propolis is natural source of acclaimed active compound CAPE (Caffeic acid phenethyl ester), and over 150 other natural beneficial compounds. As part of your daily diet, NaturaNectar's Brown Bee Propolis is a proven and convenient solution for supporting your immunity and respiratory health.*
