HOW CTT WORKS

The breakthrough science of Cellular Transport Technology (CTT)[™] is based on an optimal ratio of nutrients that delivers our proprietary **Sleep Blend** rapidly into your bloodstream, helping you fall asleep faster.[†]

Mined Salt + Potassium + Pure Cane Sugar + Water = CTT

THE STUDY

In a clinical study, the first of its kind, Liquid I.V. Sleep was shown to get more Melatonin and L-Theanine into the bloodstream after just 15 minutes compared to the leading competitor. Learn more at liquid-iv.com.

SLEEP BLEND

L-THEANINE. An amino acid that can help calm the mind, promoting relaxation and a tranquil state of mind.[†]

MELATONIN. A hormone naturally produced in the body that can help regulate your sleep and wake cycles.[†]

VALERIAN ROOT. An herb that can help reduce the amount of time it takes to fall asleep and can help you have a more restful sleep throughout the night.[†]

This breakthrough science depends on NON-GMO sugar strictly for function, not taste.
