

Enjoy Anytime Natural Male Enhancement with Doctor-Formulated Enzyte.*

If you're looking for on-going Natural Male Enhancement, it's time for Enzyte. Enzyte contains powerful male enhancement ingredients like Epimedium (Horny goat weed) and Muira Puama (Potency wood), rich antioxidants to guard against nutrient deficiencies that may impact volume, and potent herbal extracts including Asian Ginseng, Ginkgo Biloba, and Grape Seed Extract. The ingredients in Enzyte have been studied for their role in promoting blood flow, stimulating nitric oxide production, and supporting overall erectile function for sexual health. Taken daily, the ingredients in Enzyte work with your body chemistry for results that intensify over time, giving you unprecedented confidence in your ability to perform. The longer you take Enzyte, the longer your powerful erection benefits will last. That means you'll be up for the challenge whenever the opportunity arises.

Directions: For adult men only. Take one capsule daily, preferably with a meal.

Warning: Enzyte is not intended for use by those with a serious medical condition or pregnant or nursing women. Individuals with high blood pressure should consult their physician prior to use. Enzyte is not a contraceptive nor will it prevent sexually transmitted diseases.

Caution: †† Transient flushing and feeling of warmth might be associated with the ingestion of niacin-containing products.

Store at room temperature. Keep out of reach of children. Do not use if product appears tampered with or seal is broken.

Vianda brands should be taken as part of a healthy lifestyle and individual results may vary.
