

Give you and your baby the right nutrition during the postnatal period with our advanced, research-based formula designed to provide specific nourishment for this stage of your journey.*

This multivitamin provides our Rainbow Blend of fruits and vegetables, probiotics, enzymes and an excellent source of 19 essential nutrients to support mom's health and energy and baby's ongoing development.*

- Provides moringa, traditionally used by breastfeeding mothers for lactation
- Promotes healthy infant growth and development with good source of iron, choline and folate*
- Supports immune health with vitamin C and zinc*
- Promotes eye and brain development with lutein.* Lutein is concentrated in a part of the retina that develops rapidly during a child's first year of life
- Provides our special digestive blend of prebiotics, probiotics and plant-source enzymes*
