

Perfect Supplements

Perfect Green Coffee consists of an all natural extract taken from raw, unroasted, green coffee beans. This extract contains a powerful antioxidant known as chlorogenic acid as well as many other antioxidants. Research suggests that the chlorogenic acid found in Green Coffee Bean Extract may help people lose weight and increase their metabolism. Perfect Green Coffee is not a stimulant and only contains 2% caffeine.*

Warning: Keep out of reach of children. Consult your physician prior to using if you are pregnant or nursing.
