

Nutritional Support for
Feelings of Well-Being.*

Each Herbal Actives extended-release formula provides rapid and sustained results. Supplying the greatest concentration of active botanical principles, Herbal Actives St. John's Wort maximizes the synergistic benefits of the whole flower, which naturally contains flavonoids, tannins, xanthones, monoterpenes and phytosterols.

Guaranteed Maximum Activity: Each Herbal Actives formula is scientifically standardized to the highest level of active principles.

Directions: As a dietary supplement, take one tablet twice daily, preferably in the morning and evening or as recommended by your health care practitioner.

Note: If you are pregnant or nursing, consult your health care professional before using any herbal product.
