

WHAT MAKES OUR GREENS SUPERFOOD BETTER?

Our premium organic greens superfood is produced from the finest raw materials and under stringent quality control standards to ensure the highest quality product for you.

Provides extra digestive support[†] - Contains probiotic along with prebiotic fiber to feed the good bacteria. Also contains a digestive enzyme blend and alkalizing blend.

Supports whole body health[†] - Contains nutrients to support energy, immunity and circulation. Supplements your diet with 3 servings of organic fruits and vegetables per scoop.

Organic whole food greens - Made from the purest organic greens without GMO's, fillers, binders, allergens.

Great taste without artificial sweeteners - Best tasting greens formula; made with no bad sweeteners or artificial flavors. Simply add to water or mix into a smoothie.

Our Commitment to Quality - "At BioSchwartz®, we create superior products through the perfect balance of the latest technologies and the finest nutrients nature has to offer. We are committed to providing the highest quality supplements without the premium price tag."
