

Youth Rejuvenator is your ally against aging. After age 25, your body produces less human growth hormone, the powerful youth booster associated with a lean body and better sleep.*

With 7 key ingredients, **Youth Rejuvenator** boosts your body’s production of HGH so you can enjoy its age-defying benefits and feel years younger. It’s designed to be taken before bed, so while you’re at rest, it’s putting in work to support endocrine balance, promote better sleep quality, and restore a more youthful you.*

Created Exclusively For Women By Women

We believe true beauty comes from within. That’s why our science-driven formulas deliver the key nutrients your body needs most. Because when you boost your health on the inside, your beauty and wellness shine bright on the outside.

Made without gluten, soy, GMOs, artificial flavors, or proprietary blends.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Does not contain any growth hormone, stimulants, or banned substances under the Controlled Substances Act.

Adult Usage: Mix one (1) packet in 8 fl. oz. of water and consume slowly over several minutes on an empty stomach before bedtime.

PRECAUTIONS: Only for adults over 18 years. Use only as directed. Consult your healthcare practitioner if you have or suspect a medical condition, are pregnant or nursing, or if you use any medications, as certain ingredients may alter their potency and/or side effects. Some individuals may experience a minor tingling of the skin and/or slight shortness of breath, which quickly dissipates. Discontinue use two weeks prior to surgery or if any serious adverse reaction occurs. Do not use if safety seal is missing.

Keep out of the reach of children. Keep product at room temperature and humidity [59-86°F (15-30°C), 40% RH].

**YOUTH
HORMONE
INCREASED
2-FOLD***

Studies on the key ingredients found in **Lumiday® Youth Rejuvenator** show a significant rise in youth hormone (HGH) levels for female subjects vs. the control group. In fact, women taking these ingredients experienced a jolt in youth hormone that was 2-fold the levels of the control group—and in just 90 minutes!*
