FOOD SUPPLEMENT

Children's chewable omega-3 & omega-6

OMEGA-3 EPA

with omega-6 GLA
& vitamins C & E

- ✓ Supports omega-3 & 6 balance
- ✓ Naturally flavoured & sweetened
- ✓ Sustainable wild fish
- ✓ Free from heavy metals, PCBs & dioxins

60

chewable capsules

DIRECTIONS FOR USE

- **Children aged 3 to 8 years should take 2-4 capsules daily**
- **Adults and children aged 8 years and over should take 4-6 capsules daily**

It is not advisable to exceed the above dose unless advised by a healthcare practitioner. Take Vegepa Orange Bursts with food for optimum absorption. The capsule shell may be swallowed or chewed and discarded. For young children, the capsules may be pierced and the paste mixed into yoghurt or similar.

Seek professional advice before taking this product if you are taking medication, pregnant or breastfeeding. This product should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Store in a cool, dry place away from direct sunlight. Keep out of reach of young children.

Vegepa Orange Bursts combine ultra-pure EPA omega-3 from wild anchovy fish oil, with GLA omega-6 from cold-pressed virgin evening primrose oil. Vitamins C and E provide extra protection to the oils against oxidation. Provided as a paste in a chewable capsule, Vegepa Orange Bursts are ideal for children and suitable for adults too.

Vegepa balances and maintains healthy omega-3 and omega-6 levels, providing an ideal ratio to support the body's needs for these essential fats.

- ✓ **CONCENTRATED EPA OMEGA-3** from 70% concentration wild anchovy fish oil
- ✓ **ULTRA-PURE:** wild anchovies are small and short-lived, so they are less prone than larger species to pollutant build-up. Molecularly distilled to remove dioxins, mercury & PCBs to virtually undetectable levels
- ✓ **BALANCED OMEGA-6 GLA** from virgin cold-pressed evening primrose oil
- ✓ **SMALL CHEWABLE CAPSULES** are easy to burst and can be chewed or swallowed, or pierced for young children and mixed into juice or yoghurt
- ✓ **CONSISTENT PRODUCT QUALITY GUARANTEED:** GMP manufactured & 3rd party tested to ensure purity, active ingredients, nutritional value and safety
