Sleep soundly...

...with our specialized blend of CBD plus seven botanicals and compounds that support relaxation and deep, restorative sleep.* Amino acids 5-HTP and GABA are combined with passionflower, California poppy, chamomile, hops extract and lavender oil to relax the body and calm the mind for improved quality of sleep — without morning drowsiness.*

Doctor designed and formulated, our vegan softgel with hemp extract is optimized for better absorption through a proprietary microencapsulation process and enhanced with clove bud, black pepper and curcumin oils, helping to deliver the cannabinoids more efficiently and effectively than traditional hemp oils.

*Intended to be used as a non-habit forming sleep aid for occasional sleeplessness.**
