Suitable for Vegans

NORDIC  NATURALS®

Algae DHA offers a sustainable, vegan source of the omega-3 fatty acid DHA, providing 500 mg in two veggie soft gels. Our algae oil is derived from *Schizochytrium sp.*, a unique unicellular marine microalgae that produces DHA.

Every batch of Nordic Naturals algae oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All algae oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.
