NORDIC  NATURALS®

Healthy nutrition depends on not only what you eat, but also on how well food gets broken into smaller, more absorbable components. Nordic Flora™ Digestive Enzymes delivers a wide spectrum of vegetarian enzymes that naturally help the body breakdown carbohydrates, proteins, and fats—optimizing nutrient availability.* These enzymes work across a broad pH range to support digestion in both the acidic stomach and more pH neutral environment of the upper intestinal tract.*

SUGGESTED USE: One capsule during each meal (one to three times daily), or as directed by your health care professional or pharmacist.

Store in a cool, dry place at room temperature or below. Refrigerate if necessary to avoid exposure to temperatures above 74° F (23° C). Keep bottle tightly closed. Do not take if tamper-evident seal is broken or missing. Keep out of the reach of children.

Nordic Naturals products are never sold under any store brand

Warning: Consult with your physician before using this product or any dietary supplement if you are pregnant or lactating, have a known medical condition, or are taking medications.

Enzyme activity is listed in units of measurement established by the FCC (Food Chemical Codex).

Supplement Facts

Serving Size: 1 Capsule

Servings Per Container: 45

Amount Per Serving

Nordic Enzyme Blend	300 mg†
Vegetarian Pancreatin Analog	
Amylase (<i>Bacillus amyloliquefaciens</i>)	31,165 BAU†
Protease (<i>Bacillus subtilis</i>)	87,750 PC†
Lipase (<i>Candida rugosa</i>)	7,800 FIP†
Papain (<i>Carica papaya</i> fruit)	1,000,000 PU†
Amylase (<i>Aspergillus oryzae</i>)	1,875 DU†
Glucoamylase (<i>Aspergillus niger</i>)	10 AGU†
Peptidase (<i>Aspergillus oryzae</i>)	50 DPPIV†
Lactase (<i>Aspergillus oryzae</i>)	500 ALU†
Acid protease (<i>Aspergillus niger</i>)	25 SAPU†
Invertase (<i>Saccharomyces cerevisiae</i>)	250 SU†
Diastase (<i>Aspergillus oryzae</i>)	3,750 DP†

† Daily Value not established.

Other Ingredients: rice maltodextrin, capsule (vegetable cellulose), rice bran.

Contains naturally occurring sulfites. May contain traces of soy, wheat, or milk from materials used during the fermentation process. No artificial colors or flavors.
