MegaFood Stress Protect features herbal adaptogens that promote a healthy stress response in order to help ward off fatigue and maintain healthy immune function.* Sensoril®† ashwagandha, a clinically-researched extract, has been shown to maintain healthy cortisol levels to help support the body's response to stress.* We pair this with an adaptogenic herb blend of rhodiola root, schisandra berries, astragalus root and holy basil leaf to support a reduction in feelings of stress.*

This MegaFood product is made with real food. Satisfaction guaranteed or your money back.

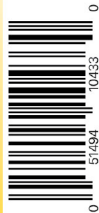

We believe that the most nutritious food comes from healthy soils and valued farmers. Our goal is to work with farmers who share our commitment to organic and regenerative agriculture. megafood.com/farmers
