Keep out of reach of children. Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition. Consult your healthcare professional before using this product if you are taking medications such as anticoagulants or blood thinners, have a bleeding disorder, or anticipate surgery.

When first taking a probiotic, your gut microbiome adjusts. You may experience minor bloating, gas or intestinal gurgling which should subside with continued use. Consult your healthcare professional if symptoms continue after two weeks.
