Read the entire label and follow the directions carefully prior to use.

DIRECTIONS: Take one (1) capsule daily with or without food, or as recommended by a healthcare practitioner. The botanical extract in Mega Green Tea Extract has been concentrated and dual standardized to ensure the highest quality, consistency, and biological activity. Each serving contains a small amount of caffeine (max. of 3.6 mg). Since one cup of decaffeinated tea contains at least 9 mg of caffeine, the amount of caffeine in this supplement will most likely not induce a stimulating effect.

- WARNINGS:
- KEEP OUT OF REACH OF CHILDREN.
 DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
 When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
