Listen to your gut... you'll be glad you did.

Did you know Omega-3 DHA fish oil can help support your child's brain and eye health?*

Your child's body relies mostly on their diet for essential Omega-3 fatty acids. Foods like salmon and mackerel are rich in Omega-3s, and so are certain leafy vegetables. But with today's diets and lifestyles, it may be hard to get your child to eat enough of these Omega-rich foods.

Renew Life® Norwegian Gold® Kids DHA fish oil comes in kid-friendly, Fruit Punch flavored softgels so you can easily give your child this essential supplement every day.
