

Culturelle® Kids Purely Probiotics® Chewables
are formulated to help keep your
kids healthy & at their best, for
whatever the day may bring.*

This product contains LGG® probiotic,
the most clinically studied strain
in children; to help support
both immune and digestive health:

**Supports Natural
Immune Defenses***

**Boosts
Digestive Health***

**Promotes Healthy
Teeth & Gums***

Storage Instructions: Store Culturelle® in a cool,
dry place away from direct sunlight.

Tamper Evident: Product is sealed within blisters.
Do not use if any part of the blister is torn, open
or damaged.

When first taking Culturelle® your child may experience minor bloating, gas or intestinal
gurgling which should subside with continued use. Consult your healthcare professional if
symptoms persist after two weeks.

For questions, concerns or to report an
adverse event, please call (800) 722-3476.

30 ONCE DAILY
CHEWABLE TABLETS
PROBIOTIC SUPPLEMENT

Directions for children 3-12: Take one (1) tablet with food, or without food if unable to eat without food. For optimal results continued daily use is suggested. When experiencing occasional digestive upset, two (2) tablets may be taken if taking two tablets, take one in the morning and one in the evening. If symptoms persist, consult your physician.
KEEP OUT OF REACH OF CHILDREN.
Not intended for children under 3 years of age due to risk of choking. Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition.
