MegaFood Adult B-Centered is made with a blend of B vitamins and herbs that help promote healthy cognitive function and mental focus.® We make it with the active form of vitamin B6, as well as the methylated forms of folate and B12. These are paired with lemon balm, and L-theanine, shown to support the body's stress response, mental function, and emotional well-being.®

This MegaFood product is made with real food, wholesome nutritional yeast and added nutrients. †This vitamin is paired with a whole food in our unique process. Satisfaction guaranteed or your money back.

We believe that the most nutritious food comes from healthy soils and valued farmers. Our goal is to work with farmers who share our commitment to organic and regenerative agriculture. megafood.com/farmers

Biotin is an important nutrient. Biotin may interfere with lab tests. If you are taking medication or planning to undergo lab testing, consult with your doctor before use.
