Spirulina

Nutrient Rich Super Food

Promotes Healthy Blood Lipid Levels*

Promotes Digestive Health*

Supports Cleansing & Detoxifying Effects*

500 mg

500 Tablets

Spirulina is a single cell plant from the blue green algae species. It is considered to be a natural source of minerals, proteins, enzymes and chlorophyll.* Chlorophyll helps to neutralize free radicals which may damage cells.* Enzymes are protein molecules that are an integral part of many important systems within the body. Spirulina assists in weight management.*
