

In the months and years to come, the scientific community will continue to unlock more secrets still to be found inside the mangosteen fruit. With each new clinical study we move another step closer to validating its main phytonutrients, mangosteen xanthenes, for the treatment and prevention of disease. Today we can all reap the benefits from nature and science in the form of our Synergy Juice Blend™ of nine high ORAC rated, antioxidant rich fruits that is Mangosteen Elixir™.

It tastes fantastic and it's terrific for you!
