

For sensitive systems and people who prefer a chewable to meet their fiber requirements, **Fiber Delights**® daily fiber is the answer! With just two delicious chewable tablets, you can be well on your way to getting the recommended amount of daily fiber without a gritty drink mix!

Fiber Delights is formulated with oat bran and enriched inulin fibers, two non-psyllium sources of fiber that gently promote and maintain regularity.* Plus, you're supporting a healthy immune system and cardiovascular function with every tasty tablet.* Get your daily fiber with convenient, great-tasting chewable Fiber Delights—goes great with Acidophilus Pearls™!

From our family to yours—we've got the right type of fiber for your family from our complete line of digestive health products.

Fiber Delights chewables are also available in vanilla flavor.

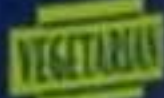

Recommendations: Two chewable tablets daily, with or without water. To achieve maximum benefits, begin with only one tablet each day for the first week, and increase to two tablets daily thereafter. If additional fiber intake is desired, slowly increase to six to eight tablets daily.

Individual responses may vary due to physiological differences and the amount of fiber already present in the diet.
