

Acai berry is a reddish-purple fruit indigenous to the Amazon region of Central and South America. Acai berries are known as super foods as they are packed with antioxidants, essential fatty acids, resveratrol, flavonoids etc. Acai berries are rich in anthocyanins (plant antioxidant) that support existing healthy cholesterol level, blood sugar metabolism, and fight oxidative stress to support heart health, cell health, and healthy aging.* Acai may also support healthy weight management.* Acai is a well-known traditional source of dietary fiber that supports the digestive system by helping to keep it clean and in good function.* The berries have powerful detoxification capacities supporting overall health and well-being.*

SUGGESTED USE: As a dietary supplement, adults take two (2) softgels daily, preferably with meals.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
