

Read the entire label and follow the directions carefully prior to use.

DIRECTIONS: Take one (1) capsule daily with food, or as recommended by a healthcare practitioner.

The 100% natural curcuminoids complex in Super Bio-Curcumin® is a patent-pending synergistic blend of curcuminoids and sesquiterpenoids with enhanced bioavailability and sustained retention time in the body confirmed by human clinical studies. Super Bio-Curcumin® is a "next generation" in delivery of curcumin compounds that no longer requires high doses of curcumin to reach sustainable levels of curcumin in the blood plasma. †Each 400 mg capsule of Super Bio-Curcumin® is equivalent to 2772 mg of a typical 95% curcumin extract.

CAUTION: Do not take if you have a biliary tract obstruction. Use during chemotherapy should only be performed under the direct supervision of a qualified medical professional. Curcuminoids may enhance the action of anti-platelet drugs and the effect of warfarin.

WARNINGS:

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please inform your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
