120 CAPSULES

We believe that Amazing Nutrition® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Bees create propolis, a natural resin to build their hives. Bee Propolis holds therapeutic properties and therefore have numerous health benefits.* It contains a high concentration of bioflavonoids, an antioxidant that supports healthy immune system by protecting the body from harmful bacterial/viral infections and may fight against free radicals that may otherwise cause damage to blood cells.* Bee Propolis supports healthy aging and overall healthy well-being.*
