

Herbal Secrets Lutein with Zeaxanthin is made from marigold petal extract. Lutein and Zeaxanthin is an antioxidant carotenoid that occurs naturally in the body. It plays a key role in maintaining eye health. Lutein with Zeaxanthin is concentrated within the macula (a part of the retina that controls central vision).* Lutein with Zeaxanthin may help protect the eyes from photons coming from light and from oxidative stress.* Lutein with Zeaxanthin may also support heart health and overall well-being.*

SUGGESTED USE: As a dietary supplement, adults take one (1) softgel daily, preferably with a meal or as directed by a health care professional.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
