

We believe that **Amazing Nutrition**® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Amazing Formulas™ Vitamin D₃ helps in the absorption of calcium and phosphorus, which is important for healthy bones and teeth.* Vitamin D₃ also supports healthy kidney function, neuromuscular health, cardiovascular health and cell regeneration.* To ensure optimal absorption of this fat-soluble vitamin we combine it with organic Olive Oil. Monounsaturated fats high in oleic acid in Olive Oil aid the transport of Vitamin D₃ into the bloodstream for fast and effective results.*
