

As with our Amazing Nutrition™ is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Ubiquinol is a lipid-soluble antioxidant produced naturally in the human body. It is found in nearly every cell, tissue and organ. Amazing Nutrition's Kaneka Ubiquinol may be easily absorbed by the body to facilitate its antioxidant properties easily into our systems.* Kaneka Ubiquinol supports cardiovascular mineral health. It may help to improve metabolism and reduce inflammation.* Kaneka Ubiquinol provides energy that is naturally produced and more efficiently used by your body.* Ubiquinol may also support anti-aging by protecting cells from free-radical damage.*

Kaneka QH™ is a registered trademark of Kaneka Corporation.
