

We believe that **Amazing Nutrition**® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

St. John's Wort is a perennial plant native to Europe. This plant has been used as an herbal remedy for its anti-inflammatory and healing properties.* **Amazing Formulas**™ St. John's Wort supplement is standardized to contain 0.3% hypericin, which may raise the release of neurotransmitters that play an important role in the optimal functionality of our nervous system.* As a result, St. John's Wort may induce the sense of well-being and positive mood.*
