

Double-Strength† Grape Seed Antioxidant is more absorbable than non-Phytosome™ extracts, thanks to a special proprietary Phytosome process that promotes targeted delivery to cells and dramatically increases absorbability in the body.*

Double-Strength† Grape Seed Antioxidant promotes healthy aging and supports healthy vein and capillary structure.*

†This product is double the strength as our 50 mg Grape Seed Antioxidant.*

Recommendations: One capsule three times daily.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

ETI is an FDA-registered Drug Establishment.
