HERBAL SECRETS® Organic Cocoa Powder is raw, all-natural and one of nature's most powerful superfoods! Our product is 100% organic and kosher certified. It has a slightly bitter and nutty, rich chocolate flavor. Cocoa powder is an excellent source of antioxidants, flavonoids and magnesium, which can support heart and bone health.* It's a delicious and nutritious treat to support brain health, promote positive mood and general good health*. HERBAL SECRETS® Organic Cocoa Powder is created by cold-pressing the oil out of cocoa nibs. Oil removal from the nibs results in dense, nutritionally packed dry mass which is then ground into fine powder. We ensure heat is used throughout the process so that natural nutrients stay intact.*
