

TRADITIONAL LACTATION SUPPORT*

Fenugreek is an herb similar to clover that is native to the Mediterranean region, southern Europe, and western Asia. The seeds have been used for centuries as an herbal remedy. Fenugreek has been traditionally used for lactation support and to soothe digestion.* At Nature's Way®, we believe nature knows best. That's why our mission is to seek out the best herbs the earth has to give. It's the way we deliver uncompromising quality and help you live healthier.
