

Saw palmetto comes from a small palm plant that typically grows in the southeastern United States. Saw Palmetto supports prostate health in men, and may help facilitate the flow of urine, reducing strain on the bladder.* Saw palmetto may help with other health issues experienced by men, including low sex drive, low sperm count, and hair loss.* It may also help reduce inflammation, ease colds and coughs, sore throats, headaches etc.*

SUGGESTED USE: As a dietary supplement, adult men take one (1) softgel daily, preferably with a meal, or as directed by a health care professional.

WARNING: This product is intended for use by men and not intended for use by women. If you are taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18.
