*We believe that **Amazing Nutrition*** *is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.*

GABA (gamma-aminobutyric acid) is an amino acid that occurs naturally in human brain and eyes, where it functions as a inhibitory neurotransmitter, which means it regulates brain and nerve cell activity by inhibiting the number of neurons firing in the brain.* GABA is an all natural sleep aid that promotes calming and relaxing effect.* It may also help to improve mood, ease nervous tension, reduce stress & anxiety, promote lean muscle growth, and relieve dull pain.*
