

We believe that **Amazing Nutrition®** is the key for Healthy Living.
We are passionate about bringing you the finest selection of products
which can perfectly complement a healthy diet and active lifestyle.

Chelated Magnesium is in a form that is easily absorbed and is used as a supplement to maintain adequate magnesium in the body.* Magnesium is a cofactor in more than 300 enzyme systems that regulate diverse biochemical reactions in the body.* It supports protein synthesis, healthy muscle and nerve function.* Magnesium is required for energy production and the structural development of bones.* Magnesium also plays a role in the active transport of calcium and potassium ions across cell membranes; a process that is important to nerve impulse conduction, muscle contraction, and normal heart rhythm.*
