

We believe that Amazing Nutrition™ is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Methylcobalamin, also known as Methyl Vitamin B12, circulates through the bloodstream and is one of two naturally-occurring coenzyme forms of Vitamin B12 that the body utilizes. Vitamin B12 is an essential vitamin that is vital for addressing adrenal fatigue, multiple metabolic functions, including enzyme production, DNA synthesis and hormonal balance, and maintaining healthy nervous and cardiovascular systems.* Vitamin B12 also helps to maintain the health of nerve cells.*
