

We believe that **Amazing Nutrition**® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Coenzyme B-Complex capsules provide most of all the major B vitamins in its active, coenzymated form, plus a selection of other essential vitamins and minerals.\* B vitamins perform a number of essential functions, primarily to help improve metabolism and to keep the body fueled and energized.\* Coenzyme B-Complex also supports immune and heart health.\*

**SUGGESTED USE:** As a dietary supplement, adults take one (1) to two (2) vegetarian capsules daily, preferably before or between meals or as directed by a health care professional.

**CAUTION:** If you are pregnant, nursing, taking any medication(s) or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
