

We believe that **Amazing Nutrition**® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Dehydroepiandrosterone (DHEA) is a naturally occurring hormone in the body. DHEA may support healthy immune system, positive mood, healthy aging, hormonal level balance and bone health.\* DHEA may also support healthy weight loss by boosting metabolism; helping to build muscle mass and improving strength.\*

**SUGGESTED USE:** As a dietary supplement, adults take one (1) tablet daily, preferably with a meal or as directed by a health care professional. Do not exceed recommended dose.
