- **Preservatives**
- **Artificial ingredients**
- **Gluten**

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

High fiber foods are good for your health. But adding too much fiber too quickly can promote intestinal gas, abdominal bloating and cramping. Increase fiber in your diet gradually over a period of a few weeks. This allows the natural bacteria in your digestive system to adjust to the change.

Cholesterade® was created by the late Dr. J. Robert Cade, the Inventor of Gatorade®.

Gatorade® is a registered trademark of Stokely-Van Camp, Inc. GO EPIC HEALTH, INC., is not affiliated with Gatorade® or Stokely-Van Camp, Inc.
