

L-GLUTAMINE is a must-have supplement especially for workouts.* Approximately one hour of intense exercise may deplete the body's natural supply of L-Glutamine. This depletion may stress out your body, leading to muscle deterioration.* Amazing Muscle™ L-Glutamine may help decrease muscle waste, promote muscle growth and repair skeletal muscles.* L-Glutamine may also help improve athletic performance, cellular detoxification, boost metabolism and assist in recovery from endurance exercises.* L-Glutamine not only supports athletic performance, it also promotes brain health by working as a neurotransmitter to improve memory, focus and concentration.*

CAUTION: Do not exceed recommended dose. If you are pregnant, nursing, taking any medication(s), planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. **KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING.**
